Sample First Semester Schedules
For Exploring Majors

Students typically take 17 credits in the first term: four 4-credit courses and a 1-credit College Success course.

- Full-time enrollment is 12-18 credits per semester.
- Minnesota students who have a Minnesota State Grant will need a minimum of 15 credits.
- Registration will be maintained within 18 credits and will accommodate majors that require additional 1-2 credit courses (e.g., ensembles and lessons for music).

### All new, first-year students will enroll in

- 1 cr. College Success
- 4 cr. Learning Foundations or Cultural and Social Difference
- 4-8 cr. Courses toward major interests, as noted below
- 4-8 cr. Global language or other Integrations Curriculum courses

See COURSES FOR FIRST-YEAR STUDENTS for a more complete list of course options.

COURSE DESCRIPTIONS are available in the Academic Catalog.

### First-Semester Courses for Exploration
