ACFN 111 Principles I (4)
Introduction to the principles used in preparing and analyzing financial statements under generally accepted accounting principles. Introduction to the principles and tools used in managerial decision making. Fall and spring.

ACFN 112 Principles II (4)
Exploration of additional concepts used in the preparation and analysis of financial statements, including the statement of cash flows. Exploration of additional concepts used in management decision making, with a focus on standard costs, variances, and capital budgeting. Prerequisite: 111. Fall and spring.

ACFN 210 Business Communication (2)
Writing skills necessary for producing effective business letters, memos, reports, and other written documents in professional contexts. Verbal communication skills necessary to deliver successful presentations in professional contexts. Prerequisite: 112 or 114. Fall and spring.

ACFN 271 Individual Learning Project (1-4)
Supervised reading or research at the lower-division level. Permission of department chair required. Consult department for applicability towards major requirements. Not available to first-year students.

ACFN 310 Corporate Finance (4)
This course is the foundation course in Finance and the prerequisite for all other Finance courses. Topics covered include the time value of money, the financial markets, the concepts of risk and valuation, the types of financing and their relative mix, financial leverage, the cost of capital, and the criteria for evaluating the attractiveness of investment opportunities. Prerequisites: 111 or 113 and ECON 111. Fall and spring.

ACFN 315 Investments (4)
The primary focus of this course is the concepts of Modern Portfolio Theory. Through efficient diversification, it is possible to minimize the risk consequences of investing and maximize return. Topics covered will include models of capital market equilibrium, the risk and valuation of financial instruments in the money market, the fixed income and equity markets, and the derivative markets. Prerequisites: ACFN 310 and one of MATH 118 or MATH 119. Fall.

ACFN 320 International Finance (4)
This course examines the international dimensions of Finance. The course builds on the principles of Finance discussed in ACFN 310 and provides a conceptual framework for the key financial decisions of a multinational. Topics covered will include the balance of payments, the determination of exchange rates, forecasting future exchange rates, methods of hedging exchange rate risk, the international financial markets, the cost of capital for a multinational, multinational capital budgeting, and international cash management. Prerequisite: ACFN 310. Spring.

ACFN 325 Intermediate Accounting I (4)

ACFN 326 Intermediate Accounting II (4)
Valuation of inventories and the acquisition and disposition of property, plant and equipment. Accounting issues related to revenue recognition, depreciation, impairments, depletion, and intangible assets. Accounting for leases, pensions, post-retirement benefits, income taxes, changes in accounting estimates and principles, and error analysis and correction. Financial reporting requirements and disclosures. U.S. GAAP and IFRS related standards. Prerequisite: 325. Fall and spring.

ACFN 328 Business Simulation (2)
A computerized business simulation where students are organized in teams which compete in operating a $40M manufacturing firm. Business goals and strategies are developed regarding sales forecasts, pricing, production capacity, research and development and finance. Simulation runs for eight cycles (years) and teams are evaluated at the end of the competition. Prerequisite: Junior standing in business field major/minor.

ACFN 330 Governmental and Not-for-Profit Accounting (2)
Principles of accounting and reporting for governmental units and not-for-profit institutions and organizations. Prerequisite: 325. Spring.
ACFN 330A Governmental and Not-for-Profit Accounting-Web course (3)
Principles of accounting and reporting for governmental units and not-for-profit institutions and organizations. Prerequisite: 325. Summer. Online course

ACFN 331 Cost Accounting (4)
Recording, communicating, and interpreting basic cost information for controlling routine operations and long-range planning. Job order and process costing, standard costs and variances, variable costing, flexible budgets, capital budgeting, cost analysis for special purposes, and performance measurement. Prerequisite: 112 or 114. Spring.

ACFN 332 Income Tax Accounting (4)
Federal income taxation of individuals, partnerships, and corporations. Preparation of various returns and forms. Internet research on special tax problems. Prerequisite: 112 or 114. Fall and spring.

ACFN 333 Corporate Financial Analysis (4)
This course is a mixture of financial theory along with real world applications. The course builds on the concepts of ACFN 310. Topics covered will include financial forecasting, capital budgeting, the cost of capital, capital structure, and long-term financing. Prerequisite: ACFN 310. Fall and spring.

ACFN 335 Business Law (2)
Law and the judicial process in commerce. Legal regulation of business and its relationships to society. Principles and issues in contract law, sales, product liability, agency, commercial paper, suretyship, bankruptcy, professional ethics, and other topics of contemporary interest to those preparing for a career in business as well as those who plan to sit for the CPA exam. Prerequisite: Sophomore standing. Fall.

ACFN 337 Business Taxation Topics (2)
Advanced tax topics relating to businesses. Computation of tax, tax accruals, tax considerations on the formation and operation of businesses, and other tax topics. Includes on-line research of tax issues. Prerequisite: ACFN 111 or 113. Fall.

ACFN 338 Advanced Accounting (4)
Business combinations and consolidated statements. Foreign currency translation and transactions. Financial reporting by foreign corporations. Prerequisite: 326 or instructor's permission. Fall and spring.

ACFN 339 International Financial Reporting Standards (2)
Study of the International Financial Reporting Standards, including all significant IFRS requirements and the accounting rules and implications surrounding transition to IFRS from US GAAP. Prerequisite: 326.

ACFN 339A International Financial Reporting Standards-web version (3)
Study of the International Financial Reporting Standards, including all significant IFRS requirements and the accounting rules and implications surrounding transition to IFRS from US GAAP. Prerequisite: 326. Online course

ACFN 340 Accounting Information Systems (4)
Information systems analysis, design, implementation and control, including, the ability to understand the processing of accounting data in a computer environment and the controls required to ensure accuracy and reliability of accounting system data. Prerequisites: 112 or 114. Fall.

ACFN 350 Operational Auditing (2)
Introduction to operational auditing which is focused on management goals, strategic directions and objectives. Overview of key operational auditing areas: risk-based auditing and process auditing. Prerequisites: 325, 340 and MATH 124.

ACFN 353 Fraud Examination (2)
Understanding of occupational fraud, including asset misappropriation and corruption; how occupational fraud is committed and actions that can be taken to deter and detect occupational fraud. Process to investigate fraud allegations, including evidence management. Prerequisites: 325 and MATH 124. Fall.

ACFN 355 Auditing (4)
Theory and practice of financial statement auditing. Focus on the nature of auditing, standards, reporting, the audit environment, risk assessment and planning, controls, sampling techniques, and ethics. Prerequisites: 326 and junior standing. Fall and Spring.
ACFN 360  Financial Derivatives  (4)
This course is designed to enhance students' understanding of financial derivatives including options, futures, forwards, and swaps, and their use in the fields of investments and corporate financial management. Prerequisites: ACFN 315, MATH 118 or 119, and MATH 124.

ACFN 361  Security Analysis and Portfolio Management  (4)
This course is designed to expand upon the knowledge and understanding of the basic concepts learned in Investments (ACFN 315). Students will learn several valuation methodologies related to prospective companies and other assets for investment purposes. Additionally, students will learn asset analysis methodologies within the context of a portfolio of assets. This course will cover analyses of stocks, fixed-income securities, derivatives, and other types of assets as may be required. Prerequisites: ACFN 315, MATH 118 or 119, and MATH 124.

ACFN 362  Current Issues in Finance  (4)
In this topics course, students will study themes which may vary each time the course is offered and will focus in depth on one or more of the traditional areas of finance, or may consider topics outside the areas covered in other finance courses. Subject matter may include ethical and regulatory issues. This course covers contemporary issues not covered in depth in other finance courses. Prerequisites: MATH 124 & Prerequisite or Corequisite: ACFN 315.

ACFN 371  Individual Learning Project  (1-4)
Supervised reading or research at the upper-division level. Permission of department chair and completion and/or concurrent registration of 12 credits within the department required. Consult department for applicability towards major requirements. Not available to first-year students.

ACFN 395  Finance Capstone  (4)
This course integrates accounting and finance knowledge gained throughout the finance concentration. Students perform research in various areas of finance, prepare individual and group projects and presentation, and develop solutions to business issues. Prerequisite: Senior standing in the major, ACFN 310 & either ACFN 315 or 320. Spring.

ACFN 396  Accounting Capstone  (4)
This course integrates knowledge gained throughout the accounting major. Students perform accounting, auditing and tax research and study; prepare individual and group projects and presentations; and conduct a research project which is presented to the department. Prerequisite: Senior standing in the major, ACFN 338 & two of ACFN 332, 340, 355. Spring.

ACFN 397  Internship  (1-16)
Practical off-campus experience with a solid academic component for seniors directed by officers of employing firms or institutions. S/U grading only.

ACFN 398  Honors Senior Essay, Research or Creative Project  (4)
Required for graduation with "Distinction in Accounting." Prerequisite: HONR 396 and approval of the department chair and director of the Honors Thesis program. For further information see HONR 398.

ACFN XXX  Accounting Finance Senior Exam  (0) S/U grading only.

ACFN XXXA  Accounting Finance Computer Literacy Test  (0) S/U grading only.
