TRAVEL IMMUNIZATIONS

CSB Health Services provides travel consultations for CSB students. Please be aware that CSB Health Services does not carry all of the vaccines that are recommended or required for travel.

The following vaccines are available for a cost at CSB Health Services:

- Hepatitis A
- Hepatitis B
- Influenza
- Meningitis
- MMR - Measles, Mumps, Rubella
- Tdap - Tetanus/Diptheria/Petussis
- Typhoid

Note: Anti-malaria medications can be prescribed.

Other vaccines that you may need that are not carried at CSB Health Services are:

- Japanese Encephalitis
- Polio
- Yellow Fever
