*The number you can influence most is the Personal & Miscellaneous Costs figure. This number includes on-site expenses such as laundry, toiletries, phone, entertainment, local transportation (train, bus), etc. You can significantly influence this dollar amount through wise personal choices and budgeting. Please contact CGE with questions.*

**Personal & Miscellaneous Costs listed above DO NOT include spending on personal travel before, during, or after the program. The costs listed above only reflect on-site spending. The cost of personal travel varies depending on destination and travel choices. For personal travel cost estimates based on program, please contact CGE.**
EXTERNAL STUDY ABROAD PROGRAMS

Costs for study abroad programs not affiliated with CSB/SJU vary greatly. It is up to you to determine tuition, fees, housing & meal contracts, and other expenses for non-CSB/SJU programs. It is important to know what is included and what is not; do not just focus on the sticker price.

Note that students on external programs will not pay on-campus tuition or housing & meal contracts. As a result, you will not be able to apply your CSB/SJU institutional financial aid (i.e. President’s or Trustees’ Scholarships, CSB/SJU Grants, Music or Theater Scholarships, etc.) during your semester on an external program. You will still have access to your state and federal aid.
