The Latino/Latin American Studies program is pleased to announce our spring 2018 event series "Immigrant Voices in Conversations about Justice." LLAS will host three public conversations with members of Asamblea de derechos civiles during spring semester.

La Asamblea de Derechos Civiles (The Assembly for Civil Rights) is a statewide, faith-based non-profit organization which organizes immigrants from predominantly Latino congregations in Minnesota to build power for changes in the immigration system and the underlying political and economic structures behind it.
