Outdoor U Family Summer Bucket List

Post photos tagging Outdoor U on Facebook or Instagram and use the hashtag #outdoorusummer2020

Always remember to stay safe, have fun, and learn lots!

- Make a campfire and try a new recipe.
- Visit a state or regional park.
- Download the Nature Passport app and complete some of the activities.
- Go stargazing and find constellations.
- Paint and hide kindness rocks to spread positivity.
- Campout in and around your home. Spend overnight in a tent or fort.
- Decorate your driveway or a sidewalk with chalk.
- Listen and look for animals/plants living in your area. Identify and learn about them and keep a list of what you find.
- Have a paper airplane contest.
- Track the phases of the moon together.
- Watch a sunset together.
- Build a fort or a den outside OR inside. Just be creative and have fun!
- Create a nature art design.
- Keep a family nature journal to remember all of your nature observations.
- Go birding together. Watch and listen carefully. Use the Audubon bird guide to help identify.
- Go on a family night hike.
- Go Geocaching.
- Catch, observe, and release caterpillars and butterflies.
- Take a walk in the rain. Find some worms and get a little wet!
- Take photos of your nature discoveries. Make a photo collage featuring all your finds.
- Catch fireflies and then set them free.
- Find a new "pocket" of nature in your neighborhood you have never explored before.
- Have a family picnic.
- Join Outdoor U for Family Trivia on Saturday, July 11th @ 10AM.
