College of Saint Benedict and Saint John's University

@csbsju

@CSBSJU

Dear CSB and SJU Parents and Families:

We're excited to welcome your student to the College of Saint Benedict and Saint John's University as a new or returning student. We're equally excited to welcome you as a member of our educational community. Your student is taking another major step toward adulthood, and we hope to be partners with you in this significant transition. At CSB and SJU, we know students who take personal responsibility for their education and get engaged both inside and outside the classroom gain more from their experiences. So, we're here to encourage student engagement and student success. We interact with our students as adults, encouraging them to speak for themselves and take responsibility for resolving their questions, concerns and conflicts as they grow in personal responsibility and self-agency. We know you will continue to be important advisers, mentors, coaches and cheerleaders for them as they learn through their experiences. Remember though, it is just that: their experience. They are now the driver of their own destiny. Together, we can be here to help them along the way.

This calendar is designed to provide you with key dates and events that will assist you in knowing the rhythms of campus life. In the pages that follow, you will find information and resources that can help you and your student get the most out of the CSB and SJU experience. You'll find additional information for CSB and SJU parents at csbsju.edu/parents. Please know that my team and I are available to help with your questions and hear your concerns. We invite constructive feedback (as well as praise!) so we can continuously improve our educational enterprise. You may contact my office at 320-363-5601 or 320-363-2737 and either I or someone from my team will get back to you. Again, we extend a very warm welcome to the College of Saint Benedict and Saint John's University communities. We look forward to a great year.

Mary A. Geller
Associate Provost for Student Success

MULTICULTURAL STUDENT SERVICES

Multicultural Student Services empowers and educates students to intentionally develop mutually trusting and culturally agile relationships. At CSB and SJU we believe an excellent liberal arts education requires an understanding and appreciation of cultural differences and that everyone deserves to feel safe and morally valued.

SPIRITUALITY AND FAITH LIFE

The Catholic character of CSB and SJU is shaped by the founding Benedictine communities who continue to foster Benedictine values in the academic, spiritual and social life of the colleges. Benedictine women and men remain a prayerful presence in community life and contribute to the stable sense of home for which CSB and SJU are so well known.

RESIDENTIAL LIFE

As liberal arts colleges, CSB and SJU promote the development of the individual within the context of living and learning in community. The supportive residential learning environment builds upon Benedictine practices of discerning one's purpose, living by one's values and working toward a just and caring community. Students living on campus benefit from connections with others, opportunities to develop a balanced lifestyle, use of campus facilities and the continued reflective exploration of their own faith.
