Scholarships & Financial Aid for Short-Term Study Abroad: Embedded & Summer

Your CSB/SJU financial package remains intact for embedded study abroad programs. Your scholarships and grants will apply towards the costs for the semester, as it does during a regular semester. CGE will notify the Financial Aid Office of your participation in the program and an adjustment will be made to your budget to reflect additional expenses you will incur.

You should apply for financial aid through the normal process, using the Free Application for Federal Student Aid (FAFSA). While grants and scholarships do not increase based on the cost of course/program fee, you also may be eligible for non-federal private loan options, which require a co-signer.

You are encouraged to meet with the Financial Aid Office to discuss available options for funding an embedded study abroad program.

BILLING FOR EMBEDDED STUDY ABROAD
The course/program fee for the spring-embedded course is charged with the December billing for the Spring semester. There are no additional tuition costs associated with these programs, unless you will need to pay for an overload for over 18 credits. If you would like to set up a payment plan to pay the fees, you must contact Student Accounts.

BILLING FOR SUMMER STUDY ABROAD
The summer study abroad tuition costs and program fee are charged with the May Billing. If you would like to set up a payment plan to pay the fees, you must contact Student Accounts.
